KELTEK TRUST

Conservation by Re-use

Helping churches acquire surplus and/or
redundant bells to be hung
for English-style full-circle bell-ringing.

Combs, Suffolk, St Mary

Combs parish church has an unringable ring of four bells with a tenor weight of 18cwt. It is planned to install a ring of eight bells from the redundant church of St Mary the Virgin, Hunslet, Leeds. The tenor weight of this ring is also 18cwt.

Hunslet, Leeds, W. Yorkshire, St Mary the Virgin

The main body of the church was unsafe and demolished in 2018. The ring of eight bells has been removed and it is intended to install them at Combs.

Elmsett, Suffolk, St Peter

The ring of two has been augmented to four by the addition of two second-hand bells, one donated by the Keltek Trust. The ring was augmented to five during March 2015 with a newly cast bell.

Fornham St Martin, Suffolk, St. Martin

The ring of six bells is to be augmented to eight by adding two tenor bells. These are the tenor of the former ring of four at Garthbrenegy, Wales and the single bell from the redundant church of St Paul, Truro.

Thurston, Suffolk, St Peter

The ring of five bells has been augmented to six by adding one of the pre-2011 bells from St Albans Abbey. The work was completed during June 2012.
