KELTEK TRUST

Conservation by Re-use

Helping churches acquire surplus and/or  
redundant bells to be hung  
for English-style full-circle bell-ringing.

Barbon, Cumbria, St Bartholomew

Barbon is the second church where an ex-Trinity House buoy has been installed as part of a ringing peal of bells. The ring of four were augmented to six during 2003 by the addition of a newly cast treble bell and an ex-TH buoy bell cast by Taylor's in 1964.

**KELTEK TRUST**

**Conservation by Re-use**

Helping churches acquire surplus and/or  
redundant bells to be hung  
for English-style full-circle bell-ringing.

Greystoke, Cumbria, St Andrew

The Trust located a second-hand bell to replace the cracked tenor as part of the restoration and augmentation scheme completed in 1999.
