KELTEK TRUST

Conservation by Re-use

Helping churches acquire surplus and/or
redundant bells to be hung
for English-style full-circle bell-ringing.

Rochdale, Greater Manchester, St Chad

The existing ring of eight bells has been replaced with the lighter ring of eight bells removed from the closed church of St Mark, Glodwick, Oldham. The Manchester Diocese offered a free transfer of the ring and the Keltek Trust donated the cost of removal. Two treble bells have been cast to create a ring of ten. All being well six of the eight bells from the pre-2023 ring will be relocated in other churches.
